

**THE FOLLOWING PROCEDURE SHOULD BE USED FOR ALL PROJECTS
(ACTIONS) IN THE VILLAGE OF CORFU, NY.**

**PLEASE READ THESE INSTRUCTION CAREFULLY. THIS WILL HELP EXPEDITE THE ISSUANCE OF
YOUR PERMIT.**

PART ONE: The Village of Corfu welcomes your new project. To get started, please contact our Zoning Enforcement Officer, **Mr. Robin Johnson, (585) 813-3280.**

Our Zoning Officer will discuss your project and direct you to your next step. Most residential projects will be handled by the Mr. Johnson. Other projects may be more complex and require zoning reviews, or reviews by the Village Planning Board, Genesee County and the Village Board.

Your project, or action, most certainly requires a permit of some type. This includes swimming pools or generators added to, or **already existing** at your residence. We look forward to the working with you.

NOTE: Most commercial actions and some residential actions may need to be reviewed in what is called as **Site Plan Review**. There is a fee to begin this process if it is necessary. The review is handled by the Village Planning Board, and begins with forms to be filled out. The Planning Board will notify you if a Site Plan Review is necessary. Please contact **Mr. Mark Zimmerman (585) 297-9207** with any questions.

If no review by the Planning Board is required your permit will be issued by the Building Inspector once he has determined that all requirements have been met.

NOTE: Items/Actions before the Planning Board must be added to the agenda by the Close of Business 10 days prior to the regularly scheduled Planning Board Meeting. Your first step would be to attend a Planning Board meeting. Meetings are held on the 4th Tuesday of the month at 7:00pm. They are open to the public.

PART TWO: STAYING INFORMED

While the Zoning Enforcement Officer, the Planning Board and the Village Board will all do our best to see your project through, we would ask that you prepare for the process by reviewing the appropriate sections of our Village Law.

This can be viewed at the Clerk's office or electronically sent to you from the Clerk's office at your request.

The Village strongly recommends that you begin with Section 704 which outlines the "Application Procedures" should we require a Site Plan Review. Also note section 708 which covers some of the additional steps which may arise with more complex projects.

Enjoy you day! ☺
